Certificate in Traditional Thai Massage Course

Availability Date:- All year around

The history of Thai massage “ originated in India during the time of lord buddha’s overly 2500 years ago, and was brought to the thailand by the physician of Buddha Shivago Komarpahj. Thai Massage is one of the most popular massage throughout the world. This massage is accepted and loved by many peoples because of bringing maximum health benefits by releasing the pain of the body. Generally this traditional thai massage is given on the floor whereas masseur and the clients both wears loose and comfortable clothes. In Thai Massage the therapist focus in pressure points, stretches the muscle and work in joints in a rhythmic motion. When doing a Thai massage the therapists use their palm, fingers , thumb , feet, elbows, forearms as well knees too.
